OUR ROUTES

As one of the logistics solutions providers to/from Russia, VMT LLC has an immense portfolio of transport and contract logistics solutions that spans multiple industries e.g. forest industry.

We can customize solutions to help you throughout all stages.

VMT LLC IN THE TRANSPORTATION SERVICES BUSINESS

VMT LLC has extensive experience in forestry products such as lumber, plywood, pulp, and paper. We are familiar with all of the subtleties related with the shipping of such commodities and are prepared to handle any problems that may occur during their shipment.

WE SHIP MONTHLY UP TO 25 CONTAINER TRAINS TO CHINA:

through land border crossings;

through the seaports of St. Petersburg, Novorossiysk and the ports of the Far East.

- Our share 11,8%
- Others 88,2%

For over ten years, VMT LLC has been effectively engaged in multimodal container shipping to/from China.

We move freight by container trains over land borders and by water through Far Eastern ports, as well as St. Petersburg and Novorossiysk.

OUR ADVANTAGES ARE AS FOLLOWS:

- A Chinese agency employing Chinese citizens.
- Container fleet, both owned and hired
- The presence of a consolidation warehouse in St. Petersburg
- In addition to delivery from China, we manage the search procurement of industrial equipment, spare parts, and consumables from Chinese manufacturers based on your specifications.

CREATING BUSINESS ON WIN-WIN SCHEME

We believe in partnerships that put your business first.

FOR YOU:

- Special rates and conditions from shipping lines and Russian Railways
- Our experience in the Chinese and Asian markets, both in transport and procurement
- Own and rented containers
- Transparent reporting and clear document flow
